BASKETBALL

The Armstrong State Pirates provided their fans with plenty of excitement during the 1975-76 basketball season. The Bucs finished the season with a 13 win-11 loss record, and, for the first time, won the South Atlantic Conference championship outright during regular season play. In addition, the ASC cagers set a new NCAA record for overtime games with seven. Three of these were double overtimes. Senior Sam Berry and Sophomore Wayne Armstrong were selected to the SAC All-Conference team and Berry was chosen for All-American. Sam also set a new career scoring high for Armstrong State with 2,508 points and a career rebounding high with 1,331.

PI KAPPA ALPHA

ΠΚΑ

Pi Kappa Alpha is the largest fraternity on campus and came to Armstrong in the fall of 1970. The Eta Mu chapter of Pike is proud of both its ritualistic traditions and its spirit of ambition. The chapter stresses initiative, development, and dedication. To prove it, Pike won the over-all intramural sports championship and strongly supported the "Pack the Civic Center Night". Nancy Bragg was the Pike Sweetheart this year as well as Homecoming Queen.

Alpha Gamma Delta ... all the way from Syracuse, New York in 1904 to year number six at Armstrong State College. Fun and work! Gamma Rho Chapter is active in most every facet of life. The chapter provides altruistic services by contributions to aid in the rehabilitation of minimal brain damaged children. Along with this, Gamma Rho extends other altruistic services in our own community. The sisters of Gamma Rho serve and participate in many aspects of campus life. Several sisters are active in student government and this year's Miss Geechee is an Alpha Gam.

PI KAPPA PHI

ΠΚΦ

Founded on December 10, 1904 at the College of Charleston, Pi Kappa Phi Fraternity pervades all walks of campus life at Armstrong. This year the Gamma Sigma Chapter continued to strive for achievement academically and within the community. Pi Kapps can be found in Student Government as well as on important campus committees, helping to stimulate and encourage student-faculty relationships. At the end of our fifth year, Pi Kappa Phi is proud to be a part of Armstrong State College.

PHI MU

ΦM

Phi Mu, the second oldest national fraternity, was founded at Wesleyan College in Macon, Georgia in 1852 and became the first women's national fraternity founded here at Armstrong. Love, Honor, and Truth, the three ideals of Phi Mu, are learned by each sister as she continues through college. The Wash Board Band, the Carnation Ball, the hospital ship S.S. Hope, as well as participation in Who's Who, Honor Council, Student Government, and the CHAOS freshman program are only a few of the ways Phi Mu spirit is shown. The Phi Mu spirit for campus activities was shown in the election of a sister as homecoming queen and in receiving both the homecoming spirit and float awards. Excitement is shared by each Phi Mu when a sister excells in beauty pageants, sweetheart titles, and scholastic awards; thus adding to the heritage of Phi Mu.

SIGMA KAPPA

ΣK

Sigma Kappa, with her 1874 founding, is one of the oldest of the Greek letter organizations. Sigma Kappa has a diversity of national projects. The first is our Maine Sea Coast Mission, established in honor of our Maine founders. Countless boxes of gifts, clothing, and toys are donated to the underprivileged families of Maine. The American Farm School in Greece exemplifies education for women. Scholarships are awarded each year to this school. Sigma Kappa is the only national sorority that works with the elderly as a major philanthropy.

Tonight, my friends — I find, in being black, a thing of beauty; a joy; a strength; a secret cup of gladness; a native land in neither time nor place — a native land in every Negro face! Be loyal to yourselves: your skin; your hair; your lips; your southern speech; your laughing kindness — are Negro kingdoms, vast as any other! Accept in full the sweetness of your blackness — not wishing to be red, nor white, nor yellow: nor any other race or face, but this. — Ossie Davis
